**Reviewer Suggestions to Authors:**

- Prepare your paper in a double column. Download the journal template from the website.
- If the diagram is big, place it in a single column.
- Use High clarity images (All maps and diagrams). Diagram information should be clearly visible to readers.
- Image height and width should be in appropriate proportion.
- All images to rework with proper visibility and dimensions.
- Authors must check the English language carefully. No AI generated or ChatGPT generated terms are permitted.
- Strictly prepare your references as per journal format.
- Authors must use clear images for proper rendering of the final published paper and should not distort zooming.
- If possible check with plagiarism tool like Turnitin , iThenticate, etc and send with plagiarism report
- No word breaks at the end of lines.
- **References format should appear as per our Journal template.**
- Strictly prepare your paper in the form of a journal template available on the website.
